

2022 Virtual Horticulture Judging School Videos

Sponsored by ARS NE REGION

The four videos associated with the Virtual Horticulture Judging School that took place on the four Saturdays in August 2022 are referenced below. Each session is about one hour in length and is followed by a Q & A session. The Q & A sessions vary in length, but at times they are very valuable. Because of the planning done by the organizers of the School the videos are most effective if they are watched in the order of presentation. The series leads off with a session by Past ARS Horticulture Judging Chair Bruce Monroe. With support from ARS Past President Bob Martin and the ARS Board, Bruce led the effort to create the latest edition of Guidelines. Be sure to get a copy of the latest (2021) edition to refer to as you “go back to school.”

Week 1 Bruce Monroe

This video session covers Point Scoring & Judging the One Class per Variety Shows (20min), Challenge Classes & Courts of Honor (15min), Judicial Attitudes & Ethics (25min), Q&A.
